Rio Linda and Elverta,
California*

since 1991

Who We Are

Our History

The Rio Linda/Elverta Historical Society was formed in February 1991 by a group of individuals concerned about preserving the unique history of these two communities. All historical material is being collected including old photographs, historical items and artifacts, newspapers, historical records, individual and family histories and stories, and historical data and photos on past and present businesses, schools, organizations and churches.

Our Goals

- Preservation of the heritage of the Rio Linda and Elverta communities
- Creating greater public awareness of the history of this area
- Restoration of the Dry Creek Ranch House
- Maintaining a museum of Rio Linda and Elverta historical artifacts at the Dry Creek Ranch House
- Preservation of Rio Linda Fire Department Fire Engine No. 7
- Working with local organizations for the betterment of our communities

Programs & Events

Farm & Tractor Days

This annual fundraiser is held for two days each May. The event features displays and demonstrations of antique tractors and hit-and-miss engines, live music, local crafts, museum tours, and much more!

Sunday Socials

Our monthly Sunday Socials feature guest speakers and presentations related to our community. They are held the third Sunday of the month at 2 pm at Dry Creek Ranch, 6852 Dry Creek Road, Rio Linda.

Socials in the winter months are held in the social hall of Calvary Lutheran Church, 5th and L Streets, Rio Linda.

- May and November – no social
- June – second Sunday
- December – first Sunday at 1 pm

Memorial Rose Garden

The society has established and maintains the Pioneer Memorial Rose Garden with a large variety of roses providing a beautiful background for events and weddings. Memorials have been set up within the rose garden by those who desire to create a living legacy to friends and loved ones.

Dry Creek Ranch Rental

The Dry Creek Ranch grounds are available for special events and weddings. Contact Joyce Buckland at (916) 335-4359 for fees and dates available.

Working Farm

The acreage around the Dry Creek Ranch House supports an annual hay crop that is seeded, harvested, and baled by members. Sales of the hay supports the Society.
